

ZUMM and DN Group are family-owned companies with a history of more than 10 years. Our activity includes the fields of mechanical engineering, metalworking and welding.

The company DN Group provides construction activities of large industrial buildings. The most important emphasis is quality and efficiency.

We have our own 2,000 m² of production space.

WHAT WE DO

- CNC MACHINING
- METALWORKING
- MOULD SERVICING
- COOPERATION
- CONSTRUCTION ACTIVITY

MOULD INSULATION FOR CONTINENTAL TYRE PRODUCTION

After the application of 5 mm thick insulation, the temperature on the mould surface is reduced from 131 °C to 41 °C. Material used PSCtm 250T HP+.

Boršická 494, 687 62 Dolní Němčí, Czech Republic
